## **STOCK EXCHANGE ANNOUNCEMENT INTERIM DIVIDEND & DIVIDEND REINVESTMENT PLAN**

### **Payment of Dividend**

On 16 March 2006, the Directors of Beaconsfield Gold NL announced an interim unfranked dividend in respect of the 2006 financial year of 1.5 cents per share. The dividend will be payable to shareholders recorded on Beaconsfield Gold's share register on the record date of 10 May 2006. Payment will be made on 31 May 2006.

### **Introduction of Beaconsfield Gold Dividend Reinvestment Plan ('DRP')**

Beaconsfield Gold is pleased to announce the introduction of its DRP, to be available to Beaconsfield Gold shareholders with effect from the interim dividend in respect of the 2006 financial year.

The DRP provides eligible shareholders with the opportunity to reinvest some or all of their dividend income into additional Beaconsfield Gold shares at a 5% discount to market with no attaching transaction costs. All necessary documentation will be mailed to shareholders in coming weeks.

All the directors of Beaconsfield Gold intend to fully participate in the DRP when the interim dividend is paid on 31 May 2006.

Shareholders participating in the DRP will be able to economically and conveniently increase their shareholdings in Beaconsfield Gold and gain increased exposure to the company's Fair View gold prospect in Western Victoria. Exploration at Fair View is entering an exciting new phase with the commencement of an extensive diamond and RC (reverse circulation) drilling program at the 4.8 km long gold anomaly.
